

Exercise Five.

Draw a living space with a minimum of four rooms with appropriate features...windows, doors, etc.

Creating a Living Space

Draw a living space which has at least four rooms.  
Include doors, windows, and walls, using parallel lines and breaks.  
Label your areas—bedroom, living room, kitchen, bath, etc.  
Save the file.

Insert a text box with name, date, and title of drawing.  
Save the file.

Submit for grading.
